## Large Crowd Expected to Attend Meet

The Event Will Bring Out Florence Roberts, Umpqua and Mary Jane; Mule Race

The sun continues to shine on the day and should be in attendance at the meet on New Year's as the card of events for tomorrow is much better than that which was offered to the public on Christmas Day.

There will be seven races, with three entries and the consensus of opinion appears to be that the New Year's races will more than make up for the Christmas events. There appears to be one or two persons who are holding their hands out to the single in athletic events, whether they be good or bad, but the public is not interested in any horse race event other than for the sport and wants to know.

An improvement in the well known horseman in the city has entered horses in the past few days. All were interested in racing. He was asked his candid opinion of the New Year's events. "I must be up to expectations, but I believe the New Year's races will be satisfactory to everyone." That was the opinion of the man who is interested in horses, and would like to see the racing a real success.

To begin with the mule race should be a real one from start to finish. It may sprang a surprise in the race and with Umpqua and Florence Roberts also entered in this race, the racing followers should be some good racing. Johnny Carson took Florence Roberts the seven furlongs in 1:35 on Saturday and the mule race entry looked good for the race.

Florence Roberts is the favorite in the mule race, as the Macfarlane entry has been known to go the distance in fast time, and furthermore enough in the Christmas race to guarantee some real racing in the New Year. Florence did not have any trouble with her bowed tendon and if all goes well should pass the first.

Interest to racing fans is the fact that the card tomorrow will show a mule race. Mrs. Walter Macfarlane entered Suante and Remark in the race. The two year olds were brought here from the Wingfield station, and when notified that there were no other entries Mrs. Macfarlane wanted to enter them in one race. The entries in a race doesn't attract a lot of interest, but it should in this case as the racing fans will have a chance to see what the baby runners can do.

The harness race will bring out some boys and Zorena. Little is known of Zorena, but in the workouts she was very entry has made good time, and will be picked by many to over Welcome Boy. In the second race of the day, Lahontan Water appears to have the call, although the entries are good over the four furlongs.

The mule race will bring out a lot of class, and the gentlemen riders are again to show something. The race patrolmen brought out a lot of money in the last race and should be to be as interesting this time. The events booked for tomorrow will be as follows:

First race—Trotting and pacing. For all. One mile heats; best two three. Purse \$400. Entrance fee 10 cent of purse. Welcome Boy and Zorena.

## JAPANESE DOWN ASAHIS IN BIG BATTLE SUNDAY

Youngsters Hammer Japanese Pitchers for 18 Hits But Lose By One Run

Although the little Asahis hammered the offerings of Moriyama and Iwata for 18 safe bingles, including a triple and five doubles, the Japanese team of older players won out in a weird exhibition at Mollili field yesterday. For four innings the Asahis played rings around the older players, who were reinforced by Kurisaki and Tsukiyama, but in the end they won out by a score of 9 to 3.

The Asahis started out to win and gathered two runs in the second and five runs in the fourth. Nine hits in the first four innings gave them a big lead. The Japanese tied it up in the fifth when they put over six runs. Although the Asahis scored double the number of hits in the next few innings they fell one run short of victory.

Hit Would Have Won Three men were on bases for the Asahis in the last inning with two men gone when Zenimura came to bat. A hit would have won the game, but the little short stop hit a hard one to left which was captured by Uyeno and the game was over.

Kokusai was the man who left the gate open all day, and had it not been for his mispitch, the Asahis would have captured the game with at least a run to the good. Yoshikawa played a beautiful game both behind the bat in the field, and with Miyahara landed the batting honors for the day, getting three hits each. Mamiya and Chinito Moriyama were the only players on the Japanese team to hit Maesaka and Nushida more than once.

Despite the errors there was some good play, as there were a number of double plays during the matinee. Tsukiyama and Zenimura showed some good all around play during the game. Both Miyahara and Komeya played their positions well.

The game was a benefit to raise funds to send the Asahi runners to Hilo. There will be another game staged on New Year's Day at Mollili field at 2:30. The Asahis are going to make an effort to win back the honors which were captured yesterday, and the Japanese are anxious to make it two straight wins. The Japanese runners will leave for Hilo on Wednesday to get in condition for the big race from the Volcano to Hilo.

## GRIDIRON TEAMS WILL FIGHT FOR HONOR TOMORROW

Y. M. C. A. Meets 32nd Inf. at Schofield in Championship Clash at 3 o'Clock

Everything is set for the championship football game at Schofield tomorrow, when the Y. M. C. A. and 32nd Infantry fight it out for the honors of Hawaii. A large delegation will go to Schofield from Honolulu tomorrow afternoon, and one of the largest crowds of the year is expected to be on hand when the whistle is sounded at 3 o'clock.

Harry Melim has announced that he will not play his Town Team against the 1st Infantry tomorrow, as a number of his men have been injured. This would have been a good contest and it is unfortunate that the team couldn't make the trip.

The Baby Regiment team will pin their hopes on stopping Davis in the gridiron tilt tomorrow, and the Y. M. C. A. team will meet this by forming a defense against Rasquin and Fleischmann. Two of the best players on the 32nd Infantry will be out of the game, but Coach Bracken will have a number of good substitutes on hand to send in.

The 32nd Infantry team will be well balanced, and looking over, the team finds no weak spots. If the Y. M. C. A. can get the full strength in the game Coach Bracken's contingent will have to play real ball to win. Whitcomb, Kampert, von Holt, Albrecht, McCombs, Hedrick and Baugh will be seen in action with the old backfield. Pammel has been playing good football this year, and while the Baby Regiment mentor is planning to stou Davis he will have his hands full with little Pammel. The little back has played good ball this year, and with Brunswick has gained much ground through the line.

The game tomorrow should bring out some good play, and it is expected that all Schofield will be on hand to watch the two teams fight it out for the honors of Oahu. Should the 32nd Infantry win the game, Team may challenge the post players. At any rate, whichever team wins, it should not be a walkaway.

## LARGE CROWD OF FANS TO HILO FOR BIG VOLCANO RUN

"Early reservations are advisable for those who are going down to Hilo for the big Volcano relay race next Saturday," says L. W. de Vis-Norton. "The race promises to be a most interesting event, and with several carefully picked teams of long-distance men going over from Honolulu, I look to see that trophy brought to the capital city. At the same time, there are rumors of four crack organizations in Hilo, which have been training over the actual ground, and the Honolulu men will have to exert every effort to win."

"At least three of the runners over there are extra good, and I think, better than anything we have over here. These men are trained to the minute and will probably be put upon the last lap, and the only two difficult portions of the road. I imagine the most trying section for a runner will be the stretch immediately on the Puna side of the Hilo boundary. The road there runs through several sharp dips with short curves and steep hills which will be hard to negotiate in a hot sun with the forest shutting out the breeze. That section will be in the last stretch but one, and I think should be turned over to the second best man in each team, keeping the final chapter for the fleet long-winded men. Judging by the large number of white-clad figures which have been fitting round the countryside of late, the training has been real and earnest, and some excellent times should be put up over the various sections of the road. A large crowd of running fans is going down to see the race."

## "SPLASH ME AND I'LL SPLASH" AT Y. M. TOMORROW

Under the caption, "The Big Splash," an exciting and informal swimming meet is being promoted for the Y. M. C. A. swimming pool tomorrow morning.

Immediately following the Treasure Hunt, which begins at 10 o'clock everyone, young, old, fat, lean and awkward, are indulging in an honest to goodness free-for-all swimming meet.

First of all comes the tumbling race of 20 yards. Four complete rolls in the water are necessary to qualify. Here is where the Duke himself would have nothing on the small boys.

We would not have you ignorant brethren that this meet has been duly sanctioned by the O. O. U. through its secretary, Rudolph Smythe, and with the full accord of Kakaako, Mill World's records, if made, will be fully registered and allowed.

The contestants will be divided into boys and men classes. No social lines will be drawn. No entrance fees. No spectators allowed for every one is eligible to contest. And above all things the greatest of these is that the swimming suits and towels are free to all contestants, this being the annual big day at the Y. M. C. A. and who cares for expenses. The affair will begin at 10:30.

## TROOP XVIII WINS FOOTBALL CONTEST

Troop XVIII defeated VIII at Makiki field yesterday afternoon by an overwhelming score.

The game was fast and furious throughout, the long end runs of Peanut Leal and Joe Thurston being the features of the game. The heavier line of Troop XVIII and the teamwork accounts for the score of 35 to 7. A good crowd witnessed the game and were not disappointed with the display of football. Frank Dunn, Leonard McQueen and Willie Leong for Troop XVIII and Joe Enos, R. Pedro and the Blaisdell brothers were the steady gainers for their respective troops.

Another clash between these two troops will be eagerly looked forward to as the absence of Ship Lo greatly handicapped Troop VIII. The game was played with the Scout spirit and manner throughout.

Lineup:	Troop XVIII	Troop VIII
R. Pedro	1	N. Taylor
Archie Ho	1	A. McQueen
Guy Gitt	1	M. de Harne
D. Bolton	1	Leo de Roo

## STAR-BULLETIN TO ENTER TEAM IN VOLCANO RUN

Runners Will Compete in Volcano Run; More Than 20 Runners Held Trials

The Star-Bulletin will enter a team in the Volcano to Hilo relay race, which will be staged on Jan. 7. Yesterday morning at Fort Shafter more than 20 runners held a tryout for the team, running a distance of more than five miles out the Kamehameha road.

The Star-Bulletin team will be the fourth team from Honolulu entered in the big race. The Mills School team is already in Hilo, the Japanese team will leave on Wednesday and the Pan-Pacific and Star-Bulletin teams will leave on Saturday afternoon.

Good Time Made J. J. Quinn, who has charge of the team, took the runners over the long grind yesterday morning and six of the runners finished close together in fast time. Shannon and Wade were not out yesterday morning, but a special tryout will be held on Thursday afternoon at 4:30, and these runners will be given a chance to show what they can do.

Benefield led the field home for the five miles yesterday, winning from Souza by a yard. Both runners sprinted to the finish line, showing that they have lots in reserve. Benefield is a strong runner, his long strides carrying him over the ground in good fashion, while Souza is a little runner, but has plenty of endurance.

Quinn Paced Them Henderson came in third, close up, leading McCallum by two yards, while Ware and Quinn close behind. Quinn paced the runners for most of the distance and would naturally have made better time. Allen was another runner who made a good showing in the trials yesterday.

Not a runner dropped out of the race. Several of them stopped for a moment along the way, but every one of the men came home. There are a number of good runners who failed to finish with the first seven, and with more experience ought to be able to show something.

Trials Thursday The trials on Thursday will bring the runners together once more, and Wade, Shannon and Downey will have a chance to run with the squad. Wade is known to be a star for a mile and has been covering the five miles in fast time.

As yet no one of the Honolulu teams is a favorite. The Japanese are picked by many to come home in the lead, while the Pan-Pacific followers are confident that this squad will win out. Mills has a number of stars on the team, and is being picked by many to win. The Hilo sport lovers can see nothing but a victory for one of the Hilo teams.

Baseball and Football There will be plenty of athletics at Hilo on Jan. 6 and 7. The Town Team will meet the Hilo football squad on Sunday, and Melim's organization is picked to win. Then the baseball fans will have an opportunity to see something worth while, as the Tax Officials will play the County Officials on Monday at 1:30, following the Volcano Run. The game will be played for the benefit of the Red Cross.

## P. C. L. WILL BE 'TIGHT' IN 1918

The Pacific Coast League will do a lot of retrenching this year and at the recent meeting the magnates decided to cut out the luxuries and will get right down to the real necessities in the handling of affairs. Here are a few of the things that were settled at the recent meeting:

They reduced the player limit to 15 men, except the first and last 30 days of the season. Clubs can carry all the men they want in these two periods, in order to develop youngsters.

The salary roll was left at \$4500 per month. All of the clubs will have playing managers except Salt Lake. Walter McCredie will be in charge there.

## CASTLE LEAVES TO SECURE STAR TENNIS PLAYERS

Miss Helen Baker May Come to Hawaii; Miss Bjurstedt, Miss Brown May Not Come

A. L. Castle, president of the Hawaiian Lawn Tennis Association, is expected to leave for the mainland in the immediate future, and upon his return will have something to say regarding the tournament which will be held in Honolulu in February.

It is hoped that he will be able to arrange to bring down some good tennis stars, who will help the game here. It is not thought that Miss Bjurstedt or Miss Brown will come, but there has been a rumor that Miss Helen Baker, the champion of the Pacific Coast, may come. Should the local association be able to secure Miss Baker and one other good player, then prospects will be bright for a good tournament.

The local feminine players would naturally have a chance to show their real worth against such stars, and if Nat Brown, Roland Roberts or some of the other stars are secured the tourney should be one of interest. Castle, Eklund, Hoogs and other local stars would be able to give these players an interesting match, and with Miss Maile Vicens, Mrs. Frederick Schaefer and Mrs. Coulter, the tourney, the mainland feminine racquet wielders would not have a walkaway. Tennis enthusiasts will be waiting for a word from Mr. Castle as to which players will come here.

## HAL JANVRIN AND GEORGE KELLY IN TRAINING CAMPS

Harold Janvrin, second baseman of the Boston Americans, has written to local friends announcing his enlistment in the 301st Signal Corps, at Camp Devens. Janvrin played in Honolulu with the All-Americans and made a number of friends here. Janvrin wished to be remembered to his many friends in Honolulu, and said that he was looking forward for a chance to return to Hawaii.

Another member of the All-Americans has written to local friends announcing his enlistment. George L. Kelly of the New York Giants. The big outfielder who could throw the ball a mile, is now at Camp San Antonio, San Antonio, Texas. Kelly says that the first night the troops arrived in San Antonio they were forced to sleep on the ground. Kelly has gone in for aviation, being a member of the aerial corps.

There will be 30 weeks of ball as usual, starting April 2 and closing October 27.

The season will open with Oakland playing San Francisco, Vernon at Sacramento, and Salt Lake at Los Angeles.

The schedule meeting will be held in San Francisco, January 3. The annual meeting of the league will be held in Oakland next year.

"A man who has been drinking sometimes sees an imaginary menagerie."

"I never heard one say anything about an imaginary menagerie."

"He can see it, but he can't say it."

## Country Club Golfers Win Sunday Play

Home Guard Scores 32 Points to Honolulu Club's 5; Angus Gets 73; Grace Wins

Members of the Oahu County Club golf team, or rather the Honolulu Cleaning Association, took the Honolulu Golf Club slicers into camp at the Country Club yesterday by a score of 32 to 5. Playing beautiful golf throughout the majority of golfers of the Country Club turned in good scores. W. Forrest, R. Blackshear and W. Cullen being the only Moanalua golfers to carry off the honors.

J. I. B. Greig, captain of the Honolulu team, who has won five points to date in the inter-club tournament, lost to Willard Grace in the play yesterday. Greig was clearly off his game, while Grace did not play up to his usual standard, taking an 80 for the 18 holes.

Angus Makes 73 George Angus played the best golf of the day, defeating Frank Halstead, and incidentally bringing in a 73, getting a 38 going out and 35 coming in. Angus brought down his score by landing twos on the tenth and seventeenth holes. Two missed putts, played perfectly would have given him a 71 for the day. Halstead lost out in both departments, taking a 78 for the day.

Roy Blackshear brought in the first win of the day for the Honolulu Club, winning one point for his team. Playing against C. G. Bockus, he clinched the match with a perfect putt for a ten on the third hole. Blackshear clinched the game when he holed out from the 25 yard line. Bockus had previously played out of the water hole with a siphon stroke.

The Country Club members were ideal hosts. The only thing that the guests could spend was the afternoon and their filthy lucre was about as good as a copy of Wacht am Rhein in Kensington-on-the-Thames. A buffet lunch was served and lemonade and iced tea were features of the day. The consensus of opinion was that these inter-club tournaments should be continued, as they have done much to increase the interest in golf.
